

**IRFA Supporting Membership:
Organizations & Associations**

Come and help build a strong network of faith-shaped organizations that are free to flourish because their faith-based practices are protected.

Join IRFA to:

- ✓ Learn from the challenges and successes of Alliance members as they work to protect and enhance their religious freedom.
- ✓ Discover ways to strengthen your faith-based services by participating in virtual meetings with top experts in the field.
- ✓ Multiply your organization's power to affect public policy.
- ✓ Receive IRFA's e-newsletter which shares valuable insights and experiences of other Alliance members
- ✓ Gain access to consulting services with nationally-known religious freedom experts via one-to-one phone calls and email.
- ✓ Have priority in scheduling speaking engagements and on-site consulting by IRFA Founder Dr. Stanley Carlson-Thies and other top experts on institutional religious freedom.

**IRFA Supporting Membership:
Organizations & Associations**
(Page Two)

State briefly how the organization or the association's members regard themselves to be faith-based (e.g., particular markers of religious identity, distinctive service practices):

What is the applicant's corporate status (e.g., 501(c)(3), church, religious for-profit)?

Briefly list the main areas of service of the organization or of the association's membership (e.g., k-12 education, overseas relief and development, emergency shelter):
